

HE IS RISEN

He is risen He is risen
Behold the Prince of life is risen
Hallelujah! Hallelujah!
He tore apart death's stony prison!
No longer bars of death could hold him
Nor garments of the tomb enfold him
His majesty and pow'r uphold him
And now he lives forever more!
And now he lives forever more!

Hallelujah He is risen, 2X

He is risen from the dead

He is risen as He said

Place the crown on His Kingly head

For the Prince of life has risen

He is risen tell the story

He is risen give him glory

The prince of life has conquered death

He is risen! He is risen!

Come before him and adore him
Oh lift your voice in jubilation
God has spoken Bars are broken
Since Jesus rose for our salvation
Within the heart new hope is springing
The bells of peace anew are ringing
And all the earth with joy is singing
The Saviour lives forever more
The Saviour lives forever more

HE IS RISEN
